# Welcome to MADE4HOME

## Who We Are-Made

Made - from enduring tradition, superior craftsmanship, an unshakeable philosophy of excellence. Exceptional design requires meticulous construction, painstaking craft so each of these qualities lends permanence and meaning to cross time pieces. Discover the construction features that bring lasting value to M4H. M4H made honor, integrity, and pride, which is why you can expect the finest quality.

## Who We Are-4

4 - based on four basic things to build and expand the value of products. In the first, we always go the extra step to make our processing and delivery as eco-friendly. Secondly, in every product that caring about the lifestyle for interior in living space. Thirdly, helping to optimize the area used in home design and we refer receptive questions to take action, learn and innovation. By new technologies, we improve multi-channel retailing for choose in every time and everywhere.

## Who We Are-Home

Home - It gives you the feeling of not only being a place to call "house", but also creating the values you feeling cozy in your "home". Our products are selected from quality ingredients and take care of each product to our customers. The collections range from exterior furniture, home ceramics to the living room, bedroom, dining room, kitchen, bathroom to the classroom. We keep up with trends but still hold our core values. And we are like you; take pride in the designs and products we created. Bringing a harmonious space to your living space is our pleasure.

# WHY CHOOSING US ?

## INVESTED PRODUCTION LINE

Wood production, painting/ finishing, powder coating system, sanding processing, and cushion sewing inhouse.

Welding robots, laser cutting machines, and laser welding machines.

## RESPECT HUMAN & NATURE

Sourcing materials from certified sustainable sources and avoid using harmful chemicals in their finishes.

Prioritizing handcrafted furniture made by skilled artisans, preserving traditional techniques.

## QUALITY CONTROL

Following a standard procedure ensures each customer receives meticulous attention to detail, starting with a stringent in-line inspection and concluding with a final quality test process.

## UNIQUE DESIGN

We can manufacture products based on our customers' ideas and designs (OEM). Our experienced furniture designers also develop new furniture models to ensure uniqueness and aesthetics suitable for the market (ODM).

## PROFESSIONAL WORKFLOW

Our production process is structured through the following stages: Design, sampling, pre-production meeting, purchase order (PO), mass production, inline inspection, final inspection, loading, and shipment.

## SUPPLY CHAIN

Our process of planning and executing the efficient transportation and storage of goods from POL to POD. The goal of our supply chain is to meet customer requirements in a timely, cost-effective manner.
